OPC Case No. T-2017-015 / T-2017-016*

Dear Ms. Cook:

The sole function of the Committee on Professional Conduct is to review allegations of violations of the Arkansas Rules of Professional Conduct on the part of attorneys and to take disciplinary action where warranted. The authority of the Committee is limited to those matters addressed by the Arkansas Rules which have been adopted by the Arkansas Supreme Court as the standard of conduct for Arkansas lawyers.

The information you provided has been carefully reviewed by at least two staff attorneys and there does not appear to be a sufficient basis for a formal complaint under the Committee's limited authority.

Pursuant to Section 5.C(5) of the Procedures of the Arkansas Supreme Court Regulating Professional Conduct of Attorneys at Law (Rev. 2011), you may request a review of this determination by the reserve panel of the Committee on Professional Conduct. Such a request must be in writing to this office and be received within twenty (20) days of the date of this letter. The request must also set out in general terms the grounds for your objection to this decision to dismiss your complaint.

Sincerely,

Stark Ligon  
Executive Director
