Trying to better understand how long it's going to take you to refund my 1000\$  
Jade said Mr.Cook would not be able to help and since he couldn't help he was to refund 1000\$

I need a response from you please as to what to expect with this refund.  
Taking the 1000\$ prevented us from getting someone to help with at least filing continence based on fact Jade couldn't get approval quick enough from probation officer to travel.  
Please advise.

Kindest regards

We were unable to refund the money until it actually appeared in our bank account, which it hadn't as of yesterday (due to the holiday I think.) I will have Mr. Cook check this morning and let you know.

Mom,

I am sending you this because I feel important to be on timeline. Bryce Cook attorney in Jonesboro Arkansas agreed to take case in regards to file return order by Judge Michael Murphy. Bryce Cook agreed to take case sent intake forms and contract for Jade. I made a deposit of 1000\$ Within the same day that they accepted 1000\$ few hours later the lawyer contacted Jade and said he could not take her money because no matter the outcome that Judge King was not giving Ava back to Jade. He refunded my 1000\$ several days later.

Please confirm that you received the emails transpired should be 15 between me and **secretary**.
